## Operating Report for September 25 – October 29, 2013

### I. Administration

Completed routine administrative duties.

Prepared Board Agenda packet for November 5, 2013 Regular Board Meeting.

Completed 1<sup>st</sup> Quarter FY 2013-2014 Financial Report.

Completed 2013-2014 manual billings.

Began listing files for proposed disposal as per the District's Retention Policy Resolution.

Submitted State Controller's Office Local Government Compensation Report.

Attended multiple Public Relations Committee meetings and Management and Finance Committee meetings.

Staff worked with MNS as needed regarding the site survey approved at the last regular board meeting.

Staff completed work to compile the required documents etc. to enable the District to apply for the CSDA Transparency Certification.

District staff has worked closely with Consultant and District Counsel to prepare documents for the District's new Pretreatment Ordinance, Pretreatment Enforcement Response Plan and Permit.

All District staff signed confirmation that they have received a copy of the District's new Personnel Policy. A staff meeting was held to go over changes to the document.

Completed the no-spill certification for the month of September 2013 on the state CIWQS database as required.

### II. Collection System Maintenance

The entire crew received safety training on Personal Protective Equipment, hearing conservation, Slips, Trips, & Falls and Flagging & Traffic Control. The field crew had their annual audiograms.

Staff continues to work on revisions to the District's Sewer System Management Plan as required by new regulations from the State Water Resources Control Board. The first step was to update the Emergency SSO response Plan that has been completed.

Tierra Contracting raised a manhole for the District on Storke Road near Phelps.

Phil Brittain Electric replaced two breakers that were found to be questionable during the Arc/Flash Study. Oilfield Electric will return this week to recheck the breakers and finalize the OSHA required Arc/Flash study.

Staff continues to inspect as needed at the Haskell's Landing development.

Staff is working with Redzone to make improvements to the structure inventory portion of the ICOM3 Computerized Maintenance Management System basically, customizing it some to better fit the District's needs.

The crew completed refurbishing/painting inside the diversion structure to PS#1.

Plan check was performed for the following:

- Remodel/Additions at 6761-6763 Del Playa Dr.
- Final plan review for Village at Los Carneros development.
- Plan Review for sewer improvements at Westar development.
- Remodel at 6672-6690 Abrego Rd.
- Proposed Taco Bell Restaurant near Pacific Oaks and Hollister Ave. - issued Sewer Availability Letter for 2 ERUs.

The crew performed all the routine maintenance and exercising of equipment for the month of October including running generators, pumps and equipment and exercising valves.

Staff corresponded with home owner at 8448 Vereda Del Padre in EMID regarding connecting to the public sewer system. This property is currently on a septic system.

Staff corresponded with home owner at 284 Vereda Leyenda in EMID and the County Planning & Development regarding addition of a master bedroom closet and moving the washing machine from the garage into the new closet. No permit from GWSD was required for this tenant improvement.

Staff completed the Air Resources Board ATCM Portable Engine Statement of Compliance and Fleet Information Report.

### **III. Industrial Waste**

Staff mailed out Industrial Wastewater Discharge Permit Renewal Applications to all currently permitted industrial facilities within the District.

Staff collected Industrial Wastewater Permit compliance samples from Allergan Medical, Calient Networks, Costco One Hour Photo, Cree SB Technology Center, DuPont Displays, and Medtronic, Inc.

Staff corresponded with Gorman Lau of Larry Walker & Associates and Dylan Johnson of BHFS regarding EPA required updates and revisions to the District's Pretreatment Ordinance.

Staff responded to a report of a possible SSO under the Los Carneros overpass at the Union Pacific Rail Road Tracks. Source was determined to be a broken private well water supply line for Bishop Ranch.
