I. Administration

Completed routine administrative duties.

Prepared Board Agenda packet for the April 7, 2015 Regular Board Meeting.

Completed 2015-2016 Accounts Payables file folders.

Attended weekly construction project meetings for the Mesa Rd. Project and additional meetings as needed. Restoration of all the areas impacted by construction is nearly complete.

Attended Engineering and Personnel Committee meetings.

Staff received the required documentation of completion for the required AB 1234 Ethics Training from all Board and administrative staff with the exception of Directors Bearman and Tureenchalk.

Staff verified on-line that all GWSD Board and designated individuals have completed the required Form 700.

The District once again received the CSRMA award for Workers’ Compensation Excellence/”Safety Superstar”. This award was for FY 2013-2014.

II. Collection System Maintenance

The crew completed hydro-cleaning hotspots throughout the District and completed hydro-cleaning in the Los Carneros area.

The crew continues to inspect with CCTV in the Winchester and Mountain View areas.

Sewer maintenance operations are summarized on the attached sheet.

Staff continues to inspect the main sewer installation for the Westar/Hollister Mixed Use Development as needed.

Ken Spencer – Utility Worker IV and Ruben Chavez – Utility Worker III attended the CWEA Tri-Counties Section March Workshop. They each earned continuing education units required for their CWEA Certifications.

Brian McCarthy attended a Goleta Slough Management Committee meeting. The Committee noted the Mesa Road Project is a success and nearly complete.

Staff performed final inspection for a new connection in EMID that was going off a septic system.

Staff completed final inspection on lateral replacements at San Milano Drive and Rio Vista Drive.
Brian McCarthy met with the contractor for Girsh Park to inspect the grease line plumbing for the new facilities at the location.

Staff has been corresponding with Anderson Environmental regarding a Phase I Environmental Assessment and public records request for 7230 Hollister Ave. BEI Sensors is the current tenant.

Staff corresponded with Partner Science and Engineering, Inc. regarding a public records request for 6868 Hollister Ave. This property is currently vacant and the Hilton Garden Inn is proposed for this site.

Staff completed a plan checks for the following projects: PetSmart at Hollister Village, I-Tapioca Restaurant at Paradise Ivy, and for a SFR at 11 Daffodil Lane.

Staff issued a Sewer Availability Letter to the California Department of General Services for a proposed CHP Office at 7780 Hollister Ave.

Carroll Plumbing & Repair made repairs to the backflow prevention devices located outside PS1.

Staff received safety training on the following topics: Driver Safety, Universal Waste, and Hazardous Communication: Flammables.

III. Industrial Waste

Staff issued a verbal Notice of Warning as specified in the Industrial Wastewater Permit to Lockheed Martin Santa Barbara Focalplane in response to a sewer discharge that was not within their permit limits for pH. The violation was immediately reported to the District by Focalplane staff as required by the Permit. A small volume of noncompliant wastewater was discharged. The cause of the discharge was found to be a faulty probe in the pH adjustment system. The equipment was quickly repaired and is operating normally.

Staff conducted Industrial Wastewater Discharge Permit compliance inspections at BEI Sensors and Transphorm.

Staff completed FOG (Fats, Oils, & Grease) Inspections at Costco Wholesale. Costco recently completed tenant improvements to their food court and meat department, both have existing grease interceptors.

Staff has been corresponding with the County Environmental Health Department regarding grease interceptor requirements. Staff reminded them to require restaurants to obtain a Sewer Service Permit for inspection whenever there is a change in ownership or minor tenant improvements. As always, major tenant improvements require a Sewer Service Permit for plan check and inspection and may necessitate additional capacity charges and/or other GWSD requirements.

IV. Street Sweeping
