Submitted first annual connection fee payment request to UCSB as per the July 2, 2013 Collection System Coordination Agreement.

Completed ADP webinar on new Workforce Now Payroll Program.

Continued data entry for 2014 Annual State Compensation Report.

Completed FY 2014-2015 Employer Summary of OPEB Contributions for GASB 45/43 Reporting.

Attended Finance and Public Relations Committee meetings.

Change Order review and discussions continue with the contractor on the Mesa Road Project.

Attended annual plant contractual users meeting to discuss FY 2015-2016 budget.

Attended SAMA meeting.

Staff has been working with PR Consultants regarding updates to the District website following PR Committee meeting reviews.

Ken Hendrickson passed away on June 14, 2015. Staff sent flowers and a card from the GWSD Staff and Board of Directors.

Following a PR Committee meeting Staff notified the Chamber of Commerce contact that the District would again participate in sponsorship of the Lemon Festival at the same level as past years.

Staff worked with PFM and BPW regarding the annual Investment Policy Review.

### **II. Collection System Maintenance**

Sewer maintenance operations are summarized on the attached sheet.

The crew continues to inspect with CCTV in the Ocean Meadows Golf Course area.

Staff continues to inspect the main sewer installation for the Westar/Hollister Mixed Use Development as needed.

Staff attended pre-construction meeting for the Hollister Village project. The sewer portion of that project is expected to start soon.

Staff attended pre-construction meeting for the Hilton Garden Inn Project.

The crew performed routine maintenance including exercising valves, test runs on the main facility emergency generator and Emily emergency generator, test ran the Roiline emergency pump and routine lubing of pump bearings.

Staff completed plan check and prepared a fee estimate for tenant improvements for The French Press coffee shop at 250 Storke Road.

Staff completed a plan check and issued a letter that no fees or permits are required for minor tenant improvements to a restaurant space at Camino Real Marketplace for the proposed Brophy's OTA Restaurant.

Staff responded to a sewer lateral problem reported at 224 King Daniel Lane. All District lines were flowing normally and the property owner was directed to call a plumber.

Staff signed off on connection permits for two new Single Family Residents built at 6851 and 6855 Del Playa Drive.

Staff removed debris that was unable to pass through the suction valve of Pump #2 that had been causing poor pump performance for several weeks. Staff scheduled the work for early in the morning during the UCSB school break so that flows would be lower than normal.

Carroll Plumbing replaced the two backflow prevention devices with a single device and installed isolation valves on each of the supply lines to the office, yard and pump stations. The water supply and backflow prevention devices had been leaking and were no longer serviceable.

Staff met with the Account Manager from Southern California Edison to discuss programs and incentives available from SCE that GWSD may be able to utilize. He is going to have SCE engineers conduct an energy efficiency analysis of the pump station and reach out to Ed Galindo regarding our proposed facility upgrades.

Staff participated in safety training for the following topics:

- Heat illness
- Respirator fit testing.
