Mark Nation, Board Secretary

APPROVED

Craig Geyer, President
GOLETA WEST SANITARY DISTRICT
Operating Report for February 10 - 23, 2016

I. Administration

Completed routine administrative duties.

Completed 2016 CASA Benefit and Salary Survey.

Issued Connection Permit to Supercuts located in the new Hollister Village.

Staff attended Public Relations Committee meeting.

District Staff continues working with Raftelis Financial Consultants regarding the Miscellaneous Fees Review Project. The draft report is complete and will be reviewed by the Finance Committee prior to bringing to the Board for consideration.

Staff continues to work as needed with consultants on the new buildings projects.

Staff prepared list of “high level” requirements for applicants wishing to connect to the District’s system. This is for the GWSD section of a document the County will use at an upcoming meeting with interested people regarding improved planning and permitting processing.

Staff has been working with UCSB regarding dedication of facilities and easements for the North Campus Faculty Housing Developments located in the area near Cannon Green and Pacific Oaks Rd.

Staff worked with Joint Safety Officer and CSRMA regarding an annual risk control assessment that CSRMA is providing for its members.

General Manager/Superintendent registered for the annual CSDA GM Leadership Summit being held in June.

Staff has been working to evaluate the next set of District pipes for rehab or replacement.

II. Collection System Maintenance

The crew continues hydro-cleaning in the Dos Pueblos High School area and EMID. Sewer operations are summarized on the attached sheet.
Inspection continues on the Hollister Village Project.

The crew continues to inspect the sewer improvements for the Village at Los Carneros Project.

The crew performed the following routine exercising and testing:

- Exercised valves throughout the District
- Test ran Roiline pump
- Main facility generator

Lawrence Hart the District’s new employee took part in the required confined space training and passed the written portion of the commercial driver license test.

Staff attended webinar titled: “How To Comply With CA On-Road Vehicle Regulations In 2016”.

Staff completed plan check for SFR remodel at 6632 Sabado Tarde in Isla Vista.

JV Enterprises conducted smoke testing on the District’s Vactor and two street sweepers as required by CARB.

III. Industrial Waste

Staff collected quarterly Non-Industrial Source Control (NISC) samples from three (3) designated locations within the District.

Staff collected Industrial Wastewater Discharge Permit compliance samples from two Raytheon facilities.

Staff corresponded with Fruit Growers Laboratories (FGL) regarding updates and revisions to Industrial User information and constituents that they are sampled for.

Staff corresponded with Solution Deposition Systems, Inc. regarding the District Pretreatment Program. They will submit an application for an Industrial Wastewater Discharge Permit.

Staff received and reviewed January estimates from Raytheon for well water utilized in their industrial processes and discharged to the sewer.

IV. Street Sweeping

Graffiti – none to report at this time

Abandon vehicle – none to report at this time
