APPROVED

Larry D. Meyer, Board President

September 14, 2017 – September 25, 2017

Administration

Staff attended a Public Relations Committee meeting.

Staff continues coordinating with Public Agency Retirement Systems (PARS) to begin processing the needed paperwork for enrollment in their trust program.

Staff continues working with the District Auditors on the work required to complete the annual audit.

Staff has been working with Counsel to finalize a Resolution for Board approval regarding the update to the District's investment policy.

Staff submitted the monthly no-spill report to the State CIWQS program for the month of August 2017.

District Staff took the Vactor and the Street Sweeper to display at the Annual Touch-a-Truck Event.

Collection System Maintenance

Tierra Contracting continues construction on the Facilities Engineering Phase VI Project. Tierra continues to make good progress and things are going fairly smoothly.

Nu-Line Technologies continues lining sewers for the Phase VI Pipeline and Manhole Maintenance Project. They continue making good progress and are on schedule. District Staff is inspecting this project.

District Staff continues inspecting the public sewer portion of the Village at Los Carneros Project as needed.

Staff continues working with Phil Brittain on establishing a radio link from the Emily Lift Station. This will allow the District to get rid of the phone data line saving a monthly bill and improving reliability.

The crew performed routine tests on the Roiline emergency pump.

Staff continues monitoring Granite Construction as they work on the City of Goleta's Hollister Avenue bike path project which requires raising and/or lowering some of the sewer manholes in that area and the raising of sewer manholes in areas affected by the City of Goleta 2016-2017 Pavement Overlay Project.

Industrial Waste

Staff performed a dye test to confirm connection of the proper fixtures to the grease interceptor at the new Hilton Garden Inn at Hollister Avenue and Storke Road.
