February 28, 2018 – March 14, 2018

### **Administration**

Staff attended Public Relations Committee meeting.

Staff met with the Storke Ranch Home Owners Association Board of Directors regarding the Phelps Road Project and easement requirements.

At a recent Board meeting District Counsel provided a legislative update. During the presentation the Board asked for further information regarding AB 967 – Human remains disposal: alkaline hydrolysis. Staff was asked to check with GSD to see if there are any potential operations of this type. GSD has one mortuary in their District (on Ward Drive). Knowing that this legislation is not effective till 2020 they will monitor this establishment on their business inventory. A business wishing to implement this process will first need to become State licensed then comply with all applicable laws including local ordinances and pretreatment requirements. A local agency like GSD can also prohibit the practice if they wish to do so.

District Staff attended a CAER membership meeting. The main focus of the meeting was to restart the organization. CAER has not been active in the past year or two.

The crew completed the annual site verification portion of the commercial billing process.

Santa Maria Joint Union High School District came and picked up the old CCTV van as approved by the Board.

Temp office manager Ken Park is now a regular employee as of March 1, 2018.

### **Collection System Maintenance**

Staff attended a CSRMA sponsored SSO workshop on volume estimating and response procedures.

The crew completed hydro-cleaning hotspots throughout the District. The crew is continuing line cleaning work in the Dos Pueblos High School area. A Sewer Operations Summary is included with this report.

District Staff continues inspecting the public sewer portion of the Village at Los Carneros Project as needed.

Staff continues working with a consultant to improve communications and reliability of District's SCADA (Supervisory Control and Data Acquisition) system.

Routine monthly maintenance was completed including exercising valves and emergency equipment.

Staff received safety training on the following topics: Fire Prevention & Response 2018, Wildfires, Overhead Hoist/Crane Operation and Inspection, How Not to Get a Shock, and Minimizing Pesticide Risk.

The District received PERP renewal registration from CARB for Gorman Rupp Emergency Trash Pump.

Staff responded to customer report of a toilet surcharged at 1001 "A" El Embarcadero in Isla Vista. The toilet surcharged while crew was hydro-cleaning a collector line that serves the apartment. Silvia's Cleaning Service was called to clean and disinfect bathroom and the customer was pleased with the response.

Tenant improvement permits were completed for two restaurants. "Hot Pot" on Trigo Road and "Choppa Ice Cream" on Hollister Avenue.

### **Industrial Waste**

Staff received the Pretreatment Compliance Inspection Summary Report for the December 5, 2017 pretreatment program inspection conducted by EPA contract inspectors.

Staff conducted Industrial Wastewater Discharge Permit compliance inspection at FLIR and Transphorm.

Staff collected Industrial Wastewater Discharge Permit compliance samples from FLIR end of process and end of pipe.

Staff collected Non-Industrial Source Control (NISC) samples from three designated locations within the District.

District Staff continues FOG inspections for the period.
