GOLETA WEST SANITARY DISTRICT
REGULAR BOARD MEETING
AGENDA
NOVEMBER 17, 2026 at 5:30 PM

UCSB Campus, Parking Lot 32
Santa Barbara, CA 93106
(District Office)

TELECONFERENCE LOCATION
Director Thomas
74711 Dillon Road
Desert Hot Springs, CA 92241

In-Person and Virtual Participation Options

- In Person: Attend the in-person meeting at the District Office (see address above)
- Via Zoom: To join the District's Zoom webinar from your computer, tablet, or smartphone click here. Alternatively, you can join the Zoom webinar by logging on to zoom.us, downloading the application, selecting "Join Meeting", and entering Meeting ID 892 2794 8342.
- By Telephone: To listen to the meeting on your phone, call 669-900-6833 or 877 853 5257 (US Toll-free) and enter Meeting ID 892 2794 8342.

Comments in advance of the meeting: Correspondence to the Board regarding items appearing on the agenda should be directed to the Secretary of the Board at info@goletawest.org or the District Office address. Written comments should be submitted by 12:00 PM on the day of the meeting.

Accessibility: The Board of Directors Hearing Room is wheelchair accessible. Should special assistance be required to participate in this meeting, please contact the District Office by phone (805-968-2617) or email (info@goletawest.org).

1. CALL TO ORDER

2. ROLL CALL
Members: Directors Geyer, Thomas, Turenchalk, Zhu, Rosen

3. APPROVE THE ORDER OF THE AGENDA

4. PUBLIC COMMENT
The public may address the Board for no more than three (3) minutes on any issue within the District's jurisdiction which is not on the agenda. No action will be taken on any non-agenda item, except as provided by law.

5. GENERAL MANAGER UPDATES

6. LEGAL COUNSEL UPDATES

7. CONSENT CALENDAR

Items on the Consent Calendar are considered to be routine and are normally approved by a single roll call vote of the Board. Matters listed on the Consent Calendar will be read only on the request of a member of the Board or the public, in which event, at the discretion of the President or a majority vote of the Board, the matter shall be removed from the Consent Calendar and considered as a separate item at the end of the Discussion-Action Agenda items. Members of the public may speak on any item listed on the Consent Calendar.

a. APPROVAL OF THE MINUTES FOR THE REGULAR BOARD MEETING OF NOVEMBER 3, 2026

The Board will consider approval of the minutes for the Regular Board Meeting of November 3, 2026.

b. RECEIVE AND FILE GENERAL MANAGER'S OPERATIONS REPORT FOR THE REGULAR BOARD MEETING OF NOVEMBER 3, 2026

The Board will consider receiving and filing the General Manager's Operations Report for the Regular Board Meeting of November 3, 2026.

c. RECEIVE AND FILE ALLOWANCE OF CLAIMS FOR THE REGULAR BOARD MEETING OF NOVEMBER 3, 2026

The Board will consider receiving and filing the Allowance of Claims for the Regular Board Meeting of November 3, 2026.

DISCUSSION-ACTION ITEMS

The Board will consider and may take action on the following items.

8. DISCUSSION OF THE RESPONSE LETTER TO GOLETA SANITARY DISTRICT REGARDING FINANCIAL PARTICIPATION IN THE SOLIDS HANDLING IMPROVEMENT PROJECT

The Board will discuss a letter in response to Goleta Sanitary District's letter regarding financial participation in the proposed Solids Handling Improvement Project.

9. CONSIDERATION OF XYLEM TECHNOLOGIES REQUEST FOR ABSTRACT SUBMISSION TO PIPESAVERS CONFERENCE

The Board will receive a report by the General Manager summarizing a request by Xylem Technologies to submit an abstract for the 2027 Pipesavers Conference.

10. CONSIDERATION OF FORCE MAIN REPLACEMENT PROJECT ALTERNATIVE ROUTING AND PROJECT SCOPE PRESENTED BY BKF ENGINEERS

The board will receive an update on the Force Main Alternatives Report by the Ad-Hoc Force Main Action Plan committee and Nick Panofksy of BKF Engineers.

In-person meeting
UCSB Campus, Parking Lot 32
Santa Barbara, CA 93106
(District Office)

TELECONFERENCE LOCATION
Director Thomas
24606 Corral Gables
San Antonio, TX 78261

POSTING OF THE AGENDA

The agenda for this meeting was posted in the display case outside the administrative office of the Goleta West Sanitary District and on the District's website at least 72 hours in advance of this regular meeting.

1. CALL TO ORDER

Director Zhu called the meeting to order at 5:46 PM.

2. ROLL CALL: BOARD MEMBERS PRESENT

Margaret Zhu
Craig Geyer
Bill Rosen
Eva Turenchalk
Robert Thomas (attended remotely at the above location)

BOARD MEMBERS ABSENT

STAFF PRESENT

Joseph Hilliard – General Manager
Jena Acos – District Counsel

OTHERS PRESENT

Ed Fuller – Director, Goleta Sanitary District
Vito Adomaitis – Assistant General Manager, Goleta Sanitary District

3. APPROVE THE ORDER OF THE AGENDA

(26-11-61)

No changes were made to the order of the agenda. Upon a motion by Director Rosen, seconded by Director Turenchalk, the Board approved the order of the agenda, as presented by the following roll call vote:

AYES: Geyer, Thomas, Turenchalk, Zhu, Rosen
NOES: None
ABSTAIN: None
ABSENT: None

4. PUBLIC COMMENT

There was no public comment presented at this time.

5. GENERAL MANAGER UPDATES

General Manager Joseph Hilliard provided a report.

6. LEGAL COUNSEL UPDATES

Legal Counsel Jena Acos provided an update on SB1159 and AB1821.

7. CONSENT CALENDAR

(26-11-62)

Upon a motion by Director Geyer, seconded by Director Turenchalk, the Board approved the Consent Calendar, as presented by the following roll call vote:

AYES: Thomas, Rosen, Zhu, Turenchalk, Geyer
NOES: None
ABSTAIN: None

APPROVED

_____
Joseph Hilliard, Alternate Board Clerk
Secretary

_____
Robert Thomas, Board President

GOLETA WEST SANITARY DISTRICT

NOVEMBER 17, 2026

AGENDA ITEM 7b

AGENDA TITLE: **RECEIVE AND FILE GENERAL MANAGER'S OPERATIONS REPORT FOR THE REGULAR BOARD MEETING OF NOVEMBER 3, 2026**

Operations Report

September 29 to October 27, 2026

Administration

Newton Construction & Management (NCM) continues progress on the Phase 2 Administration Building. Casework for the file room vault and service desk has been installed and is waiting for counter cops. Interior electrical continues with coordination from CITIG and Mission Audio Visual. Bob's Backhoe arrived on site this week to begin demolition of the asphalt yard area and grading for new asphalt through the entire property.

Administrative staff met with Clarice Couey and Tristan Dupont of Crescendo Investment Strategies to review 457B deferred compensation portfolios.

Joey and Kristyn have been working on Personnel Policy/Employee Handbook revisions in accordance with State and Federal labor requirements. Legal counsel is now reviewing the proposed edits to present to the Board at a later date.

Two Trumpets continues to work on a new website launch.

District staff attended the Touch-A-Truck event at Santa Barbara City College with the RamJet sewer cleaning truck and XBroom Street Sweeper. The event was another success and staff reports a great turn out.

Kristyn Lopez continues to work on the 2025-2026 Financial Audit.

Availability Letters:

- 7055 Del Norte Drive – Attached ADU
- 6587 Cervantes Road – 27-unit Apartment Complex
- 7400 Cathedral Oaks – 56-ERU Shelby Property

Fee Estimates were issued for the following projects:

- 7055 Del Norte Drive – Attached ADU
- 6523 Trigo Road – Attached ADU's (2)

Permits Issued:

- 6649 Sabado Tarde – ADU
- 6523 Trigo Road – Attached ADU's (2)
- 6831 Hollister Avenue, Suite G – Tenant Improvement
- 6747 Pasado Road – Detached ADU

Collection System

Hydro cleaning continues in the Evergreen neighborhood, as well as hot spots through out the District. Total footage cleaned for the period was 10,639.7 feet.

Winter preparation continues throughout the collection system, including sealing manholes to prevent rain intrusion and clearing easements for access. Both the Emily lift station and Pump Station 1 have planned maintenance and repairs this Fall to have the District best prepared for potential storms.

On-call staff responded to two separate private lateral back-ups at 255 Ellwood Beach Drive and 6557 Del Playa Drive. Both issues were determined to be on the private sewer side and were referred to the County Health Department.

Operations staff raised manholes and other facilities to finish-grade in preparation for the new asphalt paving to be done in the GWSD yard in the coming weeks.

Travis Fisher continues working with ZWorld GIS to upload historical as-built plans into the District's new GIS system.

Joey Hilliard and Juan Ramirez attended a Storm Water Preparedness meeting hosted by Goleta Sanitary District, which was attended by staff from the Goleta Sanitary, the City of Santa Barbara and UCSB.

Staff attended the City of Goleta Utility Coordination Meeting.

Staff continue to inspect the Heritage Ridge Project at Camino Vista, Phase 3 of the Willow Springs Housing Project. Mainline sewer is currently being installed with the intent of dedication to the District upon completion.

Industrial Waste & Environmental Compliance

Staff began Q4 Pretreatment Program activities, including scheduling industrial user inspections and wastewater sampling in accordance with the annual monitoring schedule.

Staff continued FOG inspections at food service establishments throughout the District to ensure proper maintenance of grease interceptors and related equipment.

Staff assisted Collections with routine sewer system maintenance, including hydrocleaning and CCTV inspections throughout the District, and participated in WinCan CCTV software training.

Training

WinCan CCTV Training – 2-day certified manufacture training

CPR and Bloodborne Pathogen – 3-hour hosted by American Red Cross

Workplace Violence – Traininglink/DKF solutions

Street Sweeping

The street sweeping schedule and holiday makeup dates continue to be published on the District website. The sweeping program remains on schedule and continues to operate safely.

Graffiti: None reported
Abandoned Vehicles: None reported
Miles: 583.2
Hours: 66.8
Water fills: 33
Loads: 23

Maintenance: Routine inspection, maintenance, and replacement of worn or failed parts on the street sweepers were performed per scheduled or as needed.

GOLETA WEST SANITARY DISTRICT

NOVEMBER 17, 2026

AGENDA ITEM 8

AGENDA TITLE: DISCUSSION OF THE RESPONSE LETTER TO GOLETA SANITARY DISTRICT REGARDING FINANCIAL PARTICIPATION IN THE SOLIDS HANDLING IMPROVEMENT PROJECT

SUMMARY DESCRIPTION:

On the November 3, 2026 Regular Board meeting, the board was presented a letter received by the Goleta Sanitary District Board of Directors. The letter summarized the financial implications of the District not participating in the GSD Solids Handling Improvement Project, and proposed an inter-agency loan as an alternative to keep the project on schedule. The Board directed staff to draft a response to this letter and present it at the next Board meeting.

SUPPLEMENTARY MATERIAL:

Draft Response Letter to GSD re: Financial Participation in GSD Solids Handling Improvement Project.

November [Date], 2026

Goleta Sanitary District
One William Moffett Place
Goleta, CA 93117

Subject: Response to Financial Participation in GSD Solids Handling Improvement Project

Dear Goleta Sanitary District Board Members,

On behalf of the Goleta West Sanitary District (GWSD) Board of Directors, we acknowledge receipt of your October 20, 2026 letter regarding GWSD's financial participation in the Goleta Sanitary District's (GSD) Solids Handling Improvement Project (SHIP).

We appreciate GSD's understanding of GWSD's current financial considerations and its willingness to explore alternative financing arrangements that could accommodate the priorities of both agencies. We also recognize the significant effort GSD has invested in advancing both the SHIP and the Energy Storage Project, and we appreciate your consideration of potential solutions that would benefit both Districts.

While GWSD appreciates the proposed inter-agency loan arrangement, the District is not in a position to make a determination regarding financial participation or enter into a financial agreement at this time. Establishing the scope of GWSD's Force Main Replacement (FMR) Project remains the District's top priority. The financial obligations associated with this project must be better defined before the District can adequately evaluate its available funding capacity for other projects.

Once the FMR Project scope has been established and the associated financial implications have been evaluated, GWSD will be better positioned to consider the proposed financing arrangement and its potential participation in the SHIP. Nothing in this letter constitutes a commitment by GWSD to participate in, fund, or finance the SHIP or any other project, and any future participation would remain subject to approval by the GWSD Board of Directors and execution of a written agreement between the Districts.

We value the longstanding partnership between our agencies and appreciate GSD's continued cooperation as GWSD works through this important planning process. GWSD will update GSD once the FMR Project scope has been established, and we look forward to continuing to work collaboratively toward solutions that serve the best interests of both Districts.

Sincerely,

[Name]

AGENDA ITEM 9

AGENDA TITLE: CONSIDERATION OF XYLEM TECHNOLOGIES REQUEST FOR ABSTRACT SUBMISSION TO 2027 UESI PIPELINES CONFERENCE

SUMMARY DESCRIPTION:

Daniel DeFever of Xylem Technologies reached out to District staff to inquire if the District would support Xylem submitting an abstract to the 2027 UESI Pipelines Conference summarizing the pipeline inspection performed on the District force mains by their electromagnetic PipeDiver tool. The submission would be using our inspection project as a case study for the effectiveness of their technology.

SUPPLEMENTARY MATERIAL:

GOLETA WEST SANITARY DISTRICT
NOVEMBER 17, 2026
AGENDA ITEM 10

AGENDA TITLE: CONSIDERATION OF FORCE MAIN REPLACEMENT PROJECT ALTERNATIVE ROUTING AND PROJECT SCOPE PRESENTED BY BKF ENGINEERS

SUMMARY DESCRIPTION:
The Board will receive an update from BKF Engineers and the Ad-Hoc Force Main Action Plan committee on the progress of the Force Main Management Recommendation Report. The Ad-Hoc committee will provide a recommendation on a scope of work including routing and construction method.

DISCUSSION:
On January 20, 2026, The Board of Directors voted to engage with BKF Engineers (formerly MNS Engineers) to prepare and draft a Force Main Management Recommendation Report, which included possible options for rehabilitation, replacement and realignment of the District force mains. The Board directed staff to work with the Ad-Hoc Force Main Action Plan committee and BKF engineers to analyze and determine the most suitable option, and bring a recommendation to the Board.

Originally presented 10 different options for rehabilitation, replacement or realignment, the committee worked diligently with BKF engineers to thoroughly research each option with considerations for environmental risks, construction feasibility, stakeholder concerns, and cost. Through extensive analysis and multiple meetings with stakeholders, the committee is prepared to present a recommendation,

Staff recommends proceeding with public outreach and additional stakeholder meetings, including requesting proposals from public relations consultants to assist the District in engaging with impacted parties.

A summary of the CAMP Pool holdings as of the most recent month end is available upon request by calling CAMP at 800.729.7665 or under the Investor/Participant Resources Section on this website.

Historical Performance

For more information on the historical performance of the CAMP Cash Reserve Portfolio, refer to the Monthly Distribution Yields and Historical Seven-Day Yields reports.

Current Annualized Yield

Past performance does not guarantee future results. The "current annualized yield" of the Pool may, from time to time, be quoted in reports, literature and advertisements published by the Trust. Current annualized yield represents the net change, exclusive of capital changes and income other than investment income, in the value of a hypothetical account with a balance of one share (normally $1.00 per share) over a seven-day base period expressed as a percentage of the value of one share at the beginning of the seven-day period. This resulting net change in account value is then annualized by multiplying it by 365 and dividing the result by 7.

Monthly Market Review

Multi-Asset Class | November 2026

pfm asset management

U.S. Equity

- U.S. equities declined modestly in October, with the S&P 500 Index returning -0.9%, while the broader Russell 3000 Index fell 0.6%.[1] This modest movement overall masks significant movement underneath, as a pullback in major AI names drove a market rotation.
- Communication Services was the weakest sector in October, declining 15.1%. Information Technology followed at -6.8%, a reversal for the two sectors that led in September. All of the other nine sectors posted positive returns in October. Performance was led by Energy with a return of 14.0%, followed by strong returns in defensive sectors with Consumer Staples, Utilities, and Healthcare returning 11.6%, 10.2%, and 9.9% respectively.
- Against this backdrop, value stocks outperformed growth stocks across all capitalizations, with greater outperformance in larger capitalizations. Among large-cap stocks, value stocks outperformed by 10.5%. Overall large-caps (Russell 1000) returned -0.7%, lagging mid-caps (Russell Midcap) and small-caps (Russell 2000), which gained 3.2% and 0.6%, respectively.
- According to FactSet Earnings Insight, the blended S&P 500 earnings growth reached 30.2%, with 82% of reporting companies beating EPS estimates as of October 30, 2026. The high bar for earnings drove several negative reactions within technology sector. For Q4 2026, analysts are projecting earnings growth of 28.4%.

Non-U.S. Equity

- Non-U.S. equities declined in October, lagging U.S. equities. The MSCI ACWI ex-U.S. Index returned -2.8% for the month. Within the index, five of the 11 sectors posted gains, led by Healthcare at 9.0% and, Energy at 8.5%. Information Technology was the weakest sector, declining 10.9%.
- Developed markets declined modestly, with the MSCI EAFE Index returning -0.7%. European equities were modestly positive, with the MSCI Europe Index gaining 0.4%, buoyed by defensive sectors while Japan was a notable detractor declining 4.2%.
- Emerging markets experienced a sharp sell-off, with the MSCI Emerging Markets Index declining 8.0%. Losses were led by technology-heavy Asian markets as sentiment towards AI soured with Korea and Taiwan declining 15.6% and 8.4%, respectively. China also struggled, returning -7.0% in October and leaving the MSCI China Index down 18.0% year-to-date. In response, Chinese policymakers introduced measures to support equities, including bank swap operations and lower financing costs for share buybacks.

Fixed Income

- Fixed income posted positive returns in October as yields moved lower across the curve at month end. The Bloomberg U.S. Aggregate Index gained 2.4%. Investment-grade (IG) credit rose 2.1%, even as IG spreads widened 10 basis points (bps) to 90 bps. High-yield credit (ICE BofA US HY) returned 0.3% with spreads widening 29 bps to 340 bps.
- Long-end Treasury yields began the month at multi-year highs on inflation and fiscal concerns, and fell later in the month as the AI-related sell-off in equities drove a rally. The 2-year yield decreased 30 bps to 4.6%, the 5-year yield fell 37 bps to 4.7%, the 10-year yield declined 36 bps to 4.9%, and the 30-year yield fell 32 bps to 5.3%. The U.S. Treasury Master Index returned 2.4% for the month.

Listed Real Assets

- Lower rates were supported by listed real estate investment trusts (REITs), with the FTSE NAREIT All Equity REITs Index returning 4.7%. Self-storage and lodging and resorts were the strongest segments, gaining 14.9% and 12.8%, respectively. Diversified and industrial were the only negative segments, declining 2.4% and 0.8%, respectively.
- Listed infrastructure also advanced in October, outperforming broader global equities. The FTSE Global Core Infrastructure 50/50 Index returned 7.7% for the month, supported by strong returns in U.S. utilities.

Items to Watch

- The Federal Reserve (Fed) held rates steady in October. The Fed Chair Kevin Warsh acknowledged some tightening in financial conditions but stopped short of providing any guidance. September inflation figures accelerated with headline CPI at 3.7% YoY and core inflation at 2.6%. This combined with strong initial Q3 GDP reading reinforces the argument that the Fed may hike rates by 25 bps in December, with markets pricing in an 84% probability of a hike.
- Real GDP grew 3.4% YoY in Q3, up from 2.2%. Consumer spending remained the primary driver, rising 3.8%. Business investment provided additional support with nonresidential fixed investment surging 12.7%, supported by technology and AI-related spending. On the flip side of the AI-related spending equation, strong import growth, including increased semiconductor purchases, partially offset these gains, with net imports subtracting 3.3% from overall growth. Overall, the data points to continued economic resilience despite elevated borrowing costs and other headwinds.
- Looking ahead, consumer spending growth is more uncertain. Slower average hourly earnings growth of 3.0% YoY in September failed to keep up with inflation, while the personal saving rate dropped to 3.8%, its lowest level in nearly four years. The combination suggests that households have less financial flexibility to maintain spending if prices continue rising or income growth weakens further.
- While Strait of Hormuz oil flows and Gulf oil exports have recovered to near pre-war levels, crude oil prices rose from $90.84 to $104.12 per barrel over the month as escalation risk returned. Middle East tensions intensified during the month with attacks on shipping in Hormuz increasing and the U.S. military preparing options for renewed strikes on Iran. Though diplomatic efforts continue, the geopolitical outlook remains highly uncertain.

Register Now: CASA's 2027 Winter Conference

Registration is open for CASA's 2027 Winter Conference, taking place January 27–29 at the Renaissance Esmeralda in Indian Wells! This year's conference will bring together clean water leaders from across California for three days of conversations, connections, and practical ideas centered around moving from silos to systems.

The conference is a great opportunity to connect with colleagues, exchange ideas, learn about emerging challenges and solutions, and bring valuable insights back to your agency. More details on speakers, technical sessions, panels, networking opportunities and special events are coming soon.

Don't miss out on this opportunity to connect with the CASA community and be part of the conversation. Register today! We look forward to seeing you in Indian Wells this January.

Weathering El Niño: Free Webinar

CASA and the California Municipal Utilities Association (CMUA) are hosting a webinar on Wednesday, November 18, from 1:00–2:30pm focused on preparing for the anticipated strong El Niño event and its potential impacts on water and wastewater utilities across California. The session will feature CalOES representatives, climate experts and consultants discussing the upcoming wet season, emergency preparedness and permitting, and potential water quality impacts, particularly for ocean dischargers. With increased precipitation expected, this is a valuable opportunity for wastewater agencies to hear from experts and learn what steps they can take now to prepare.

The webinar is open to all CASA and CMUA member agencies. Register today!

Innovative Technology Seminar Wrap-Up

CASA recently teamed up with the University of California, Davis, to host our 2026 Innovative Technology Seminar at the brand-new Resnick Center for Agricultural Innovation. The seminar featured a virtual tour of the campus as a living laboratory, along with presentations covering a range of topics, including market exploration, research and applications in circular resource development, contaminant reduction, using AI and machine learning to tackle N_2O emissions, emerging treatment technologies, and systemic solutions for microplastics removal.

Thank you to all of our presenters and the planning team who helped bring this year's seminar to life! Presentations are now available on the CASA website.

Spread Holiday Cheer (and Awareness!) with F.O.G. Education

In the wastewater sector, we all know that the holiday season is synonymous with F.O.G. (Fats, Oils, and Grease). To help you engage your community and promote responsible practices, we wanted to remind you of some helpful outreach materials. The Responsible Flushing Alliance developed a F.O.G. Activity Book that is available for agency use.

This fun and educational resource includes activities designed for kids in Kindergarten through 6th grade, such as:

- Make-Your-Own F.O.G. Can
- A creative F.O.G. rap song
- Coloring sheets for “Do Not Pour” and “Do Not Flush” signs
- A matching activity for signs and symbols

The activity book is also available in Spanish, making it easy to connect with diverse audiences. Feel free to customize it to meet the needs of your community!

The Season of Giving: Support the CASA Education Foundation

The holiday season is here, bringing with it the perfect time to give back to the causes that matter most. The CASA Education Foundation (CEF) is dedicated to ensuring clean water for Californians by supporting students committed to serving the environmental community. Your support helps to further our mission through education as an investment in the next generation of environmental professionals.

As a 100% donation-funded organization, the CEF depends entirely on the generosity of individuals and organizations like you. In 2026, the foundation awarded $5,000 scholarships to five deserving students, including the Bruce Wolfe scholarship recipient. Thank you to all who have supported us in the past. Together, we can continue making education an investment in our shared future.

Learn more or make a donation today at casaweb.org/casa-education-foundation.

Gratitude and Holiday Wishes from CASA

With the holiday season approaching, CASA staff wanted to share how thankful we are for you, our members, for your daily service and for simply being a great group of people. Happy Holidays to all!

From all of us here at the CASA office, we hope you have a wonderful Thanksgiving!!

STATE LEGISLATIVE UPDATE

For questions about the State Legislative update, please contact Spencer ssaks@casaweb.org

2026 State Legislative Wrap-Up & Looking Ahead

California's 2026 legislative session has come to a close, with Governor Gavin Newsom's September 30 deadline to sign or veto legislation marking the end of the legislative year. CASA was actively engaged on several bills impacting the wastewater sector. Check out CASA's 2026 State Legislative Wrap-Up for a summary of key legislation and its potential implications for the wastewater sector.

Looking ahead, CASA will host its annual State Legislative Committee planning meeting on December 4 to discuss potential legislative proposals and establish priorities for the upcoming session. Agencies interested in submitting a legislative proposal or suggesting a topic for the agenda should email Jessica Gauger and Spencer Saks by December 1.

FEDERAL UPDATE

For questions about the Federal Legislative update, please contact Sarah Sapirstein.

Post-Mid Term Elections Debrief

On Monday, November 9, the CASA Federal Legislative Committee will meet virtually to review the results of the congressional midterm elections, what the outcome means for the CASA's federal priorities and explore what may be on the legislative agenda for the final weeks of the 119th Congress. All CASA members are welcome to attend, the meeting will be held over Zoom on November 9th from 11:30am - 12:30pm.

UPCOMING EVENTS

NACWA National Clean Water Law & Enforcement Seminar

Join NACWA November 11–13 in Santa Monica for three days of discussion and connection with clean water attorneys, utility leaders and technical professionals from across the country. Gain insights on the legal and regulatory issues facing public clean water utilities, exchange perspectives with peers and earn up to 20 CLE credits. Don't miss the conversations shaping clean water law. Register today and join NACWA in Santa Monica!

PPIC Water Policy Center: Upcoming Event & New Publication

PPIC PUBLIC POLICY INSTITUTE OF CALIFORNIA

The Public Policy Institute of California (PPIC) Water Policy Center has recently released a new report and is hosting an upcoming event covering several important issues facing California's water and wastewater sectors. On Friday, November 13, the Center will host its 2026 Fall Convening, Buckle Up: A Roadmap to Water Solutions for California's New Governor, bringing together leading water experts to discuss the state's water challenges and priorities for the next governor. The discussion is especially relevant as California considers the future of water reliability, infrastructure and resource management.

The Center also recently released Priorities for California's Water, a new report offering recommendations for the next governor on the future of California's water system. The report includes several valuable suggestions related to financing water infrastructure and

addressing the state's long-term water needs that we think CASA members will find particularly useful.

We encourage members to check out the report and consider attending the November 13 event. The convening is free to attend in person or via livestream, but registration is required.

Read the report | Register for the event

Visit CASA's Job Board.

CASA represents more than 150 local public agencies engaged in the collection, treatment and recycling of Wastewater and biosolids to protect public health and the environment. Our mission is to provide trusted information and advocacy on behalf of California clean water agencies, and to be a leader in sustainability and utilization of renewable resources.

November 5, 2026 (Agenda)

Local Agency Formation Commission
105 East Anapamu Street
Santa Barbara CA 93101

Process to Appoint a Regular and Alternate Public Member LAFCO Commissioner to the Commission

Dear Members of the Commission

RECOMMENDATION

It is recommended that the Commission authorize the process for selecting the regular and possible alternate Public Members to serve on LAFCO.

DISCUSSION

The Santa Barbara Local Agency Formation Commission (LAFCO) is selecting an Alternate Public Member to serve on the Commission. LAFCO is an independent government agency charged with encouraging the orderly formation and development of local governmental agencies, preserving agricultural and open space resources, discouraging urban sprawl, and encouraging the efficient provision of local government services. The State Law that governs LAFCO is the Cortese-Knox-Hertzberg Act. The Commission is composed of seven voting members representing local government and the public: two members are from the County Board of Supervisors, two members represent the City Councils, two members represent Special Districts, and one representative serves as the Public Member.

The Public Member is selected by the other Commission members who serve on the Commission. The currently serving Public Member does not participate in the voting for the Public Member. To be elected to the Commission as a Public Member an applicant must receive at least one vote from each Commissioner Category. In other words, at least one vote from a City, County and Special District commissioner is needed to be elected to the Commission.

The Cortese-Knox-Hertzberg Act allows the current Public Member to serve until the selection process is completed. This means that current Alternate Public Member, Roger Aceves, may sit on LAFCO until the selection process is concluded by the Commission.

Process

Authorizing the selection process would include the following steps:

1. Authorize the opening of the application period. Santa Barbara LAFCO should authorize the Executive Officer to open the application period for interested persons to apply for the alternate Public Members. The notice is proposed to be a 30-day period and would be sent out on November 9, 2026 with a closing date of December 10, 2026.
2. Authorize sending the notice for the public position to the City Clerks and District's General Managers via email and posting a notice in the newspaper.
3. Authorize the appointment of an Ad-Hoc Committee for initial interviews of the candidates on December 18, 2026. Final interviews and selection would occur at the January 7, 2027, LAFCO meeting.
4. The Cortese-Knox-Hertzberg Act allows the Commission to take action on the appointment after a minimum of a 21-day notice period.

Candidate Criteria

- Interested individuals must be residents of Santa Barbara County and be able to regularly attend LAFCO meetings which are held on the first Thursday of each month at 1:00 pm.
- The individuals selected cannot be a current officer or employee of the County, a City or Special District within the county.
- Previous involvement in or experience with local government service and growth issues in Santa Barbara County is helpful.
- The public member is considered a public official and is required to file a standard financial disclosure statement annually with the California Fair Political Practices Commission, AB1234 Ethics Training, and SB 827 Fiscal and Financial Compliance Training. Candidates for the position have completed the attached application form and resume indicating applicable experience and qualifications.
- This four-year term would end March 1, 2031. The current regular Public Member appointed would continue to serve as the "voting member". The alternate serves on the Commission when the regular member cannot attend or participate in a meeting.

The notice for the public positions will be sent to the City Clerks and District's General Managers via email. The Commission may take action on the appointment after the 21-day notice period. The process is consistent with the Cortese-Knox-Hertzberg Act as described in Government Code Section 56325 (d).

Attachments

Attachment A Notice to Clerks, General Managers, and Media

Attachment B Public Member Application Form

Please contact the LAFCO office if you have any questions.

Sincerely,

Mike Prater
Executive Officer

SANTA BARBARA
LOCAL AGENCY FORMATION COMMISSION

NOTICE OF PUBLIC ALTERNATE PUBLIC MEMBER

VACANCY

NOTICE IS HEREBY GIVEN that the Santa Barbara Local Agency Formation Commission LAFCO) is selecting an Alternate Public Members to serve on the Commission. LAFCO is an independent government agency charged with encouraging the orderly formation and development of local governmental agencies, preserving agricultural resources, discouraging urban sprawl, and encouraging the efficient provision of local government services. The key State Law that governs LAFCO is the Cortese-Knox-Hertzberg Act as well as other laws. The Commission has the authority to approve or disapprove all annexations of land to and from Cities and Special Districts in Santa Barbara County.

LAFCO has the authority to approve or disapprove the incorporation of new Cities and the formation of new Special Districts. LAFCO also establishes Spheres of Influences (a 20-year growth boundary) for all Cities and Special Districts in the County. The Commission is composed of seven voting members representing local government and the public: two members are from the County Board of Supervisors, two members represent the City Councils, two members represent Special Districts, and one representative serves as the Public Member.

The Public Member is to be selected by the six other Commission members at the January 7, 2027 LAFCO meeting. **The Application Form and Resume are due by 5:00 p.m. on December 10, 2026.** The Alternate Public Member position is a four-year term ending March 1, 2031. The regular public member appointed would serve as a "voting member". The alternate member serves as the "voting member" when the regular member cannot attend the meeting. Regular LAFCO meetings are scheduled every month on the first Thursday at 1:00 p.m. LAFCO rotates our meetings between the Board of Supervisors hearing room, located at 105 East Anapamu Street, Fourth Floor, Santa Barbara, California, and the Board of Supervisors hearing room in the Betteravia Government Center at 511 Lakeside Parkway, Santa Maria, with special meetings held as needed. The current alternate member is Mr. Roger Aceves and has expressed interest in being re-appointed.

Interested individuals must be residents of Santa Barbara County and be able to regularly attend LAFCO meetings. The individuals selected cannot be a current officer or employee of the County, a City or Special District within the County. Previous involvement in or experience with local government issues in Santa Barbara County is helpful. The public member is a public official and is required to file a standard financial disclosure statement annually with the California Fair Political Practices Commission, AB1234 Ethics Training, and SB 827 Fiscal and Financial Compliance Training.

Candidates for the position must complete an application form and provide a resume indicating applicable experience and qualifications. Application forms are available at the LAFCO office or online at www.sblafco.org. Application materials must be received by Santa Barbara LAFCO office at 105 East Anapamu Street, Santa Barbara CA 93101, on or before Thursday, December 10, 2026 at 5:00 pm. The application may be submitted via e-mail to LAFCO Executive Officer, Mike Prater at lafco@sblafco.org. For more information, please contact Mr. Prater at 805-568-3391 or by e-mail at lafco@sblafco.org. Thank you for your interest.

Initial interviews by the selected Ad-Hoc Committee will be held on Friday, December 18, 2026. Final interviews and selection would occur at the January 7, 2027, LAFCO meeting at 1:00 p.m. in the Board of Supervisors Hearing Room, 105 East Anapamu Street, Fourth Floor, Santa Barbara, California, to consider an appointment to fill an Alternate Public Member vacancy. This appointment would be for the new four-year term that end on March 1, 2031.

Remote Testimony is Permitted - Persons may address the Commission in person or by using the remote video testimony system in the Board of Supervisors hearing room in the Betteravia Government Center at 511 Lakeside Parkway, Santa Maria. A Zoom link will also be available.

Disclosure of Campaign Contributions – LAFCO Commissioners are disqualified and are not able to participate in proceedings involving an "entitlement for use" if, within the 12 months preceding the LAFCO decision, the Commissioner received more than $500 in campaign contributions from the applicant, an agent of the applicant or a financially interested person who actively supports or opposes the LAFCO decision on this matter.

Those who have made such contributions are required to disclose that fact for the official record of the proceedings. Disclosures must include the amount of the contribution and the recipient Commissioner and may be made either in writing to the Executive Officer of the Commission prior to the hearing or by an oral declaration at the time of the hearing.

The foregoing requirements are set forth in the Political Reform Act of 1974, specifically in Government Code section 84308.

Disability Accommodations - Persons with a disability who require any disability-related modification or accommodation, including auxiliary aids or services, in order to participate in the meeting are asked to contact the LAFCO office at least three (3) days prior to the meeting by telephone at 805.568.3391 or by email at lafco@sblafco.org.

Additional information. – Additional information regarding items to be considered at the meeting may be obtained by contacting the LAFCO office at 105 East Anapamu Street, Santa Barbara CA 93101 or by calling 805/568-3391. The agenda and staff report for the hearing will be available at the LAFCO website at www.sblafco.org. 5 days before the hearing.

Dated this 9th day of November 2026

AGENDA ITEM 12

REPORTS

Operations Report

October 28 to November 10, 2026

Administration

Newton Construction & Management (NCM) continues progress on the Phase 2 Administration Building. Ceiling tiles and the linear wood ceiling in the board room is now complete. Casework continues in the Board room and front entrance counter, and Mission Audio is on site to install the audio/visual equipment in the newly installed board room dais. The next few weeks will be very productive while punch list items are completed as we take this project across the finish line.

19-six continues on design and permitting for the Phase 3 Garage project. Exterior cladding designs are being reviewed, and a hazardous material demolition contract has been developed.

Kristyn Lopez attended a 3-day CalPERS training in Anaheim, which covered reporting requirements, state and federal laws, human resources training and general employee matters.

Two Trumpets continues to work on a new website launch. Staff has met with them to discuss public relations strategies for upcoming capital projects.

Kristyn Lopez continues to work on the 2025-2026 Financial Audit.

Permits Issued:

- 6646 Sabado Tarde – ADU

Permit Extension:

- 575 Vereda Del Ciervo - ADU

Collection System

Hydro cleaning continues in the Evergreen neighborhood, as well as hot spots through out the District.

Winter preparation continues throughout the collection system, including sealing manholes to prevent rain intrusion and clearing easements for access. Both the Emily lift station and Pump Station 1 have planned maintenance and repairs this Fall to have the District best prepared for potential storms.

Travis Fisher continues working with ZWorld GIS to upload historical as-built plans into the District's new GIS system.

Mike Ash from HiTech Concepts has been coordinating with staff to provide a proposal for moving the SCADA server to the new administration building which will include some minor fixes and upgrades to the new SCADA system.

Staff continue to inspect the Heritage Ridge Project at Camino Vista, Phase 3 of the Willow Springs Housing Project. Mainline sewer is currently being installed with the intent of dedication to the District upon completion.

Industrial Waste & Environmental Compliance

Staff began Q4 Pretreatment Program activities, including scheduling industrial user inspections and wastewater sampling in accordance with the annual monitoring schedule.

Staff continued FOG inspections at food service establishments throughout the District to ensure proper maintenance of grease interceptors and related equipment.

Staff assisted Collections with routine sewer system maintenance, including hydrocleaning and CCTV inspections throughout the District, and participated in WinCan CCTV software training.

Street Sweeping

The street sweeping schedule and holiday makeup dates continue to be published on the District website. The sweeping program remains on schedule and continues to operate safely.

Graffiti: None reported
Abandoned Vehicles: None reported
Miles: 316.6
Hours: 36
Water fills: 17
Loads: 13

Maintenance: Routine inspection, maintenance, and replacement of worn or failed parts on the street sweepers were performed per scheduled or as needed.
