## Operating Report for July 9 – July 29, 2014

### I. Administration

Completed routine administrative duties.

Prepared Board Agenda packet for the August 5, 2014 Regular Board Meeting.

Attended CalPERS Dependent Eligibility Verification (DEV) webinar.

Began work on the 2013 Government Compensation Report.

Completed the June 2014 (year-end) Financial Report.

Submitted completed Forms 470 for all District Directors to County Elections Division.

Moore Associates Professional Services completed draft billing report for the 2014-2015 County Tax Roll.

Attended weekly construction project meetings for the Mesa Rd. Project and additional meetings as needed.

Completed the 2014 Local Biennial Notice for the District's Conflict of Interest Code. No amendment was required as per District Counsel.

Attended Finance, Public Relations and Personnel Committee meetings.

Record drawings were received for the Willow Springs II development. This is the last item needed from the developer for the District to accept the dedication of the sewer mainlines. The Board should see this item on an agenda in the near future.

Corresponded with a resident in Isla Vista with regards to a blockage in his sewer lateral. Resident states that his plumber claims there is a problem in the main as well. The crew will CCTV the main sewer to check if there is a problem.

Stand-by staff was called out on an SSO in the Rancho Mobile Home Park. The spill was due to a blockage in the park's system. District Staff had the manager call a plumber and the blockage was cleared. NOT a GWSD SSO

### II. Collection System Maintenance

The crew continues to perform off-tract easement maintenance throughout the District.

The crew is currently hydro-cleaning the following areas:

- Isla Vista West

- Off-tract 60-2
- Hotspots throughout the District

Line cleaning is summarized on the attached sewer operations summary.

Staff continues to inspect the main sewer installation for the Westar/Hollister Mixed Use Development as needed.

Field crew received safety training on tractor operations and workplace violence.

Tierra Contracting was called to repair a broken collar around a manhole on Hollister Avenue near Cannon Green Drive.

Staff completed a plan check for remodel and garage/workshop addition to a SFR at 60 Vereda Cordillera in EMID.

Staff continues to correspond with Oilfield Electric to complete the NFPA 70E Arc Flash Assessment of all of the District's electrical systems.

An all-staff meeting was held to discuss the findings of the 2<sup>nd</sup> Quarter Safety Inspection.

Staff signed off on a City of Goleta permit for a lateral repair and installation of a property line cleanout at the Chevron Gas Station on the corner of Storke and Hollister.

### **III. Industrial Waste**

Staff conducted an Industrial Wastewater Discharge Permit compliance inspection at Calient Networks.

Staff corresponded with Costco Wholesale regarding new Industrial Wastewater Discharge Permit compliance sample location.

Staff corresponded with an agent for Girsh Park regarding grease interceptor requirements for a proposed concessions building near the baseball fields.

Staff received and reviewed discharge estimates from Raytheon for well water used in their industrial processes and discharged to the sewer system.
