

GOLETA WEST SANITARY DISTRICT DISTRICT MAPPING TOOL

THE RULES

- Create a single ward or create a full five district plan.
- Each ward should have a population of around 8,300
- The largest ward should be no more than ~830 people greater than the smallest ward.

ABOUT THE BLOCKS

Each of these blocks is drawn within the district's census blocks and block groups, following major roads. The numbers are a rounded calculation based on the final census data adjusted by the State of California.

Write in the population estimates for each of your drawn wards.

~8,300 Target Population Per Ward
